Financial Report: M. Roberts

Committee reports/discussion

- **History Bike Rally, October 1, 2016**
 - Location volunteers attached. Still some spots to fill.
 - We are going to switch our Weccaco for Mario Lanza Park due to road and playground construction
 - Several Board members agreed to post the Bike Ride on their Facebook accounts.
- **Committee reports**
 - Vestry report: We were advised of some emergency work required to repair a portion of the wall at the front of the Church. This is a reminder of the important work we are doing so that such items can be taken care of by the Foundation so that the Church can focus on mission.
 - Kim-Eric told us the story of how Gloria Dei Church is the first Gloria Dei in the US. Christine has agreed to research the Gloria Dei's in the US. Quantum Think will design a humorous infographic asking for royalties from the "other" Gloria Dei's as a FUNdraiser.
 - We reviewed the application for the Community Design Collaborative. (The Community Design Collaborative provides pro bono preliminary design services to nonprofit organizations in greater Philadelphia, creates engaging volunteer opportunities for design professionals, and raises awareness about the importance of design in revitalizing communities.) Candace will fill this out.
 - Attached are the Foundations supplied by Mara Lee Baird, RLA, ASLA, ML BAIRD & CO Landscape Architecture. Please review the list and let Candace know if you know anyone on their Boards.
 - Reminder to come back to Gloria Dei on Thursday for a fascinating history lecture! We will set up at 3:30. We will offer cold waters for sale at \$1/bottle. We will make email signup cards and donation envelopes available to the audience.

6:30 pm: Adjourn

- Following adjournment, we toured the recently restored markers. Very impressive work from Materials Conservation!

Thank you to Candace and Mark for dinner

Next meeting: October 10, 5:30-7pm
